

# IN THE MICHIGAN COURT OF APPEALS

## ORDER

Re: **Timothy A Grossklaus v Susan R Grossklaus**  
Docket No. **263376**  
L.C. No. **98-816343-DM**

Michael J. Talbot, Judge, acting under MCR 7.211(E)(2), orders:

The motion for reconsideration of the Court's order of December 14, 2005, is DENIED. The requested amendment of appellant's brief was minor and unnecessary. The records of the Court clearly reflect the date that the Court granted leave to appeal. The unnecessary burden on the Court and its clerical staff in docketing and submitting the motion would only have been increased if the motion had been granted. Furthermore, denial of the motion advanced the Court's legitimate interest in discouraging requests for minor, inconsequential changes in briefs after they have been filed.
